

17.4 Isabelle Sterling, the partner you work for, unexpectedly had to travel to Hong Kong. She left you the Tang Aluminum Products file for your client, Global Bank. Global will be lending Tang \$1.9 million for its purchase of all of the assets of Argon, Inc. and taking a security interest in those assets. The contract for purchase and sale, signed a week ago, provides for transfer of Argon's assets free and clear of liens and payment of the purchase price in "cash at closing."

Which filings and searches do you conduct, and in what order?
